Skills and Expertise

I am an independent, methodical individual, I have little problem organizing assignments and personnel. I've acquired leadership skills in both my military and professional careers, working with other people is one of my strengths, I am very sociable and friendly and I enjoy meeting new people. Creativity comes naturally to me, I majored in art in high school and learned at a graphic design college after my army service, I am imaginative and bursting with ideas. Years of work have made me excellent at customer service and salesmanship I know how to help customers while also encouraging larger sales.
